Every day beautiful

COMPANY PROFILE

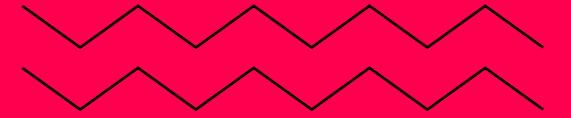

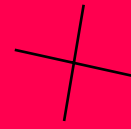

Moskito Design
is an independent full-service
creative communication agency.

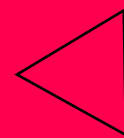

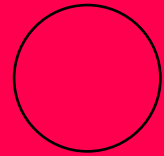

Every day beautiful

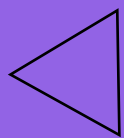

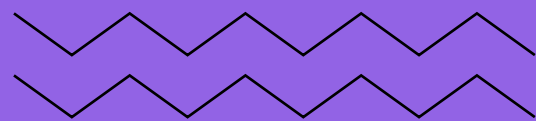

**Anybody can do
one-off wonderful.**

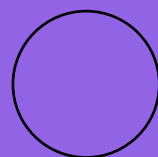

But since 2006 what our clients have loved about us is our commitment to making **Every day beautiful**, through our work, and our working relationships, every day of the year.

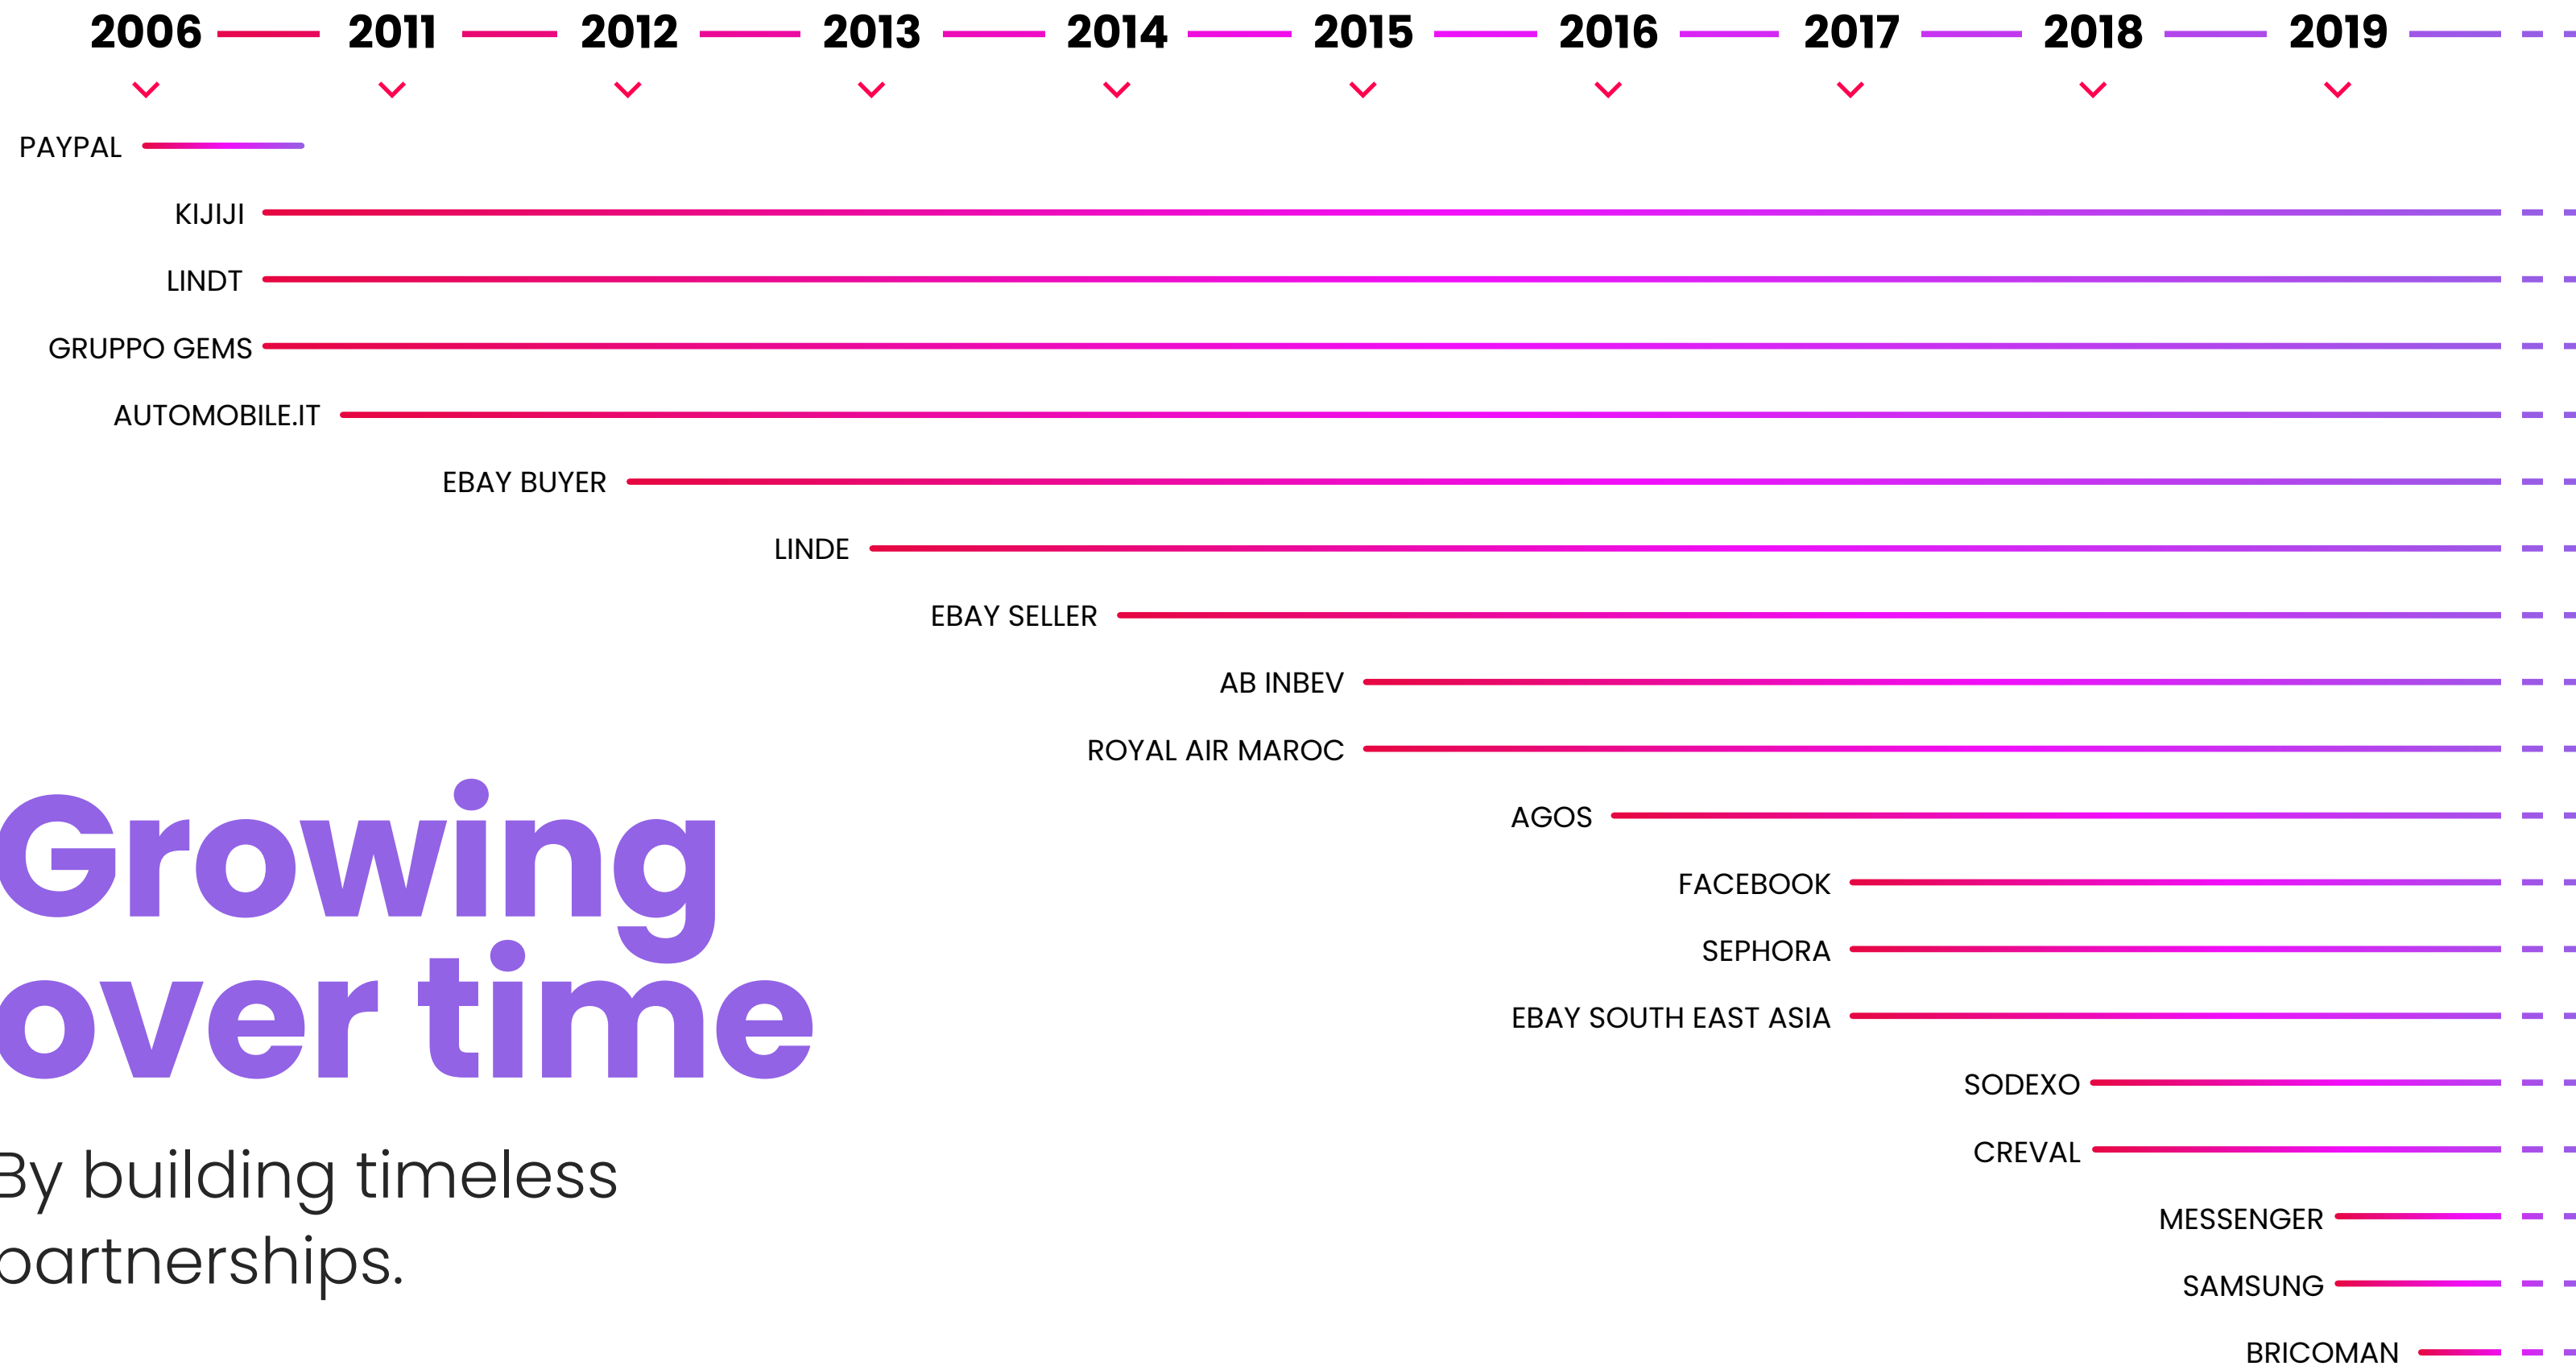

From a two woman studio to a 45+ strong agency

From the two-woman boutique studio Giulia Salvioni and Evelina Borghesan founded over a decade ago to the mid-sized creative communication agency we've become today, we've stayed proudly independent and dedicated to creative solutions, fast turnarounds, flexibility and going the extra mile.

What we're made of

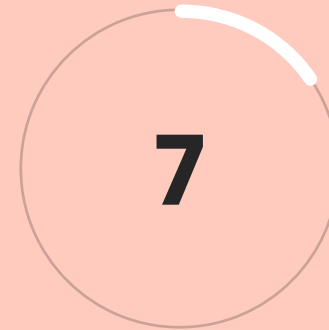

The creativity you want. The metrics you need. The language you speak. Whether it's digital marketing strategy, creative campaign concepts, video production, digital web design, event design or creative copywriting and localization in five languages, we've got strength in numbers and small teams to make you feel at home. And to make your every day absolutely beautiful.

Why choose us

Small teams_

Get your own personal team from start to finish. They'll get to know you and deliver on your ambitions. Every day.

No account managers_

Work directly with the actual project manager for your campaign. No account managers means you skip the middleman and get a direct line to get-it-done.

Global reach_

Leverage our experience on global campaigns for international clients. Our in-house team of native speaker creative copywriters is at home in your language.

End to end service_

From research to concept to execution and evolution, our dynamic one-stop shop has the numbers, teams and talents you need to truly wow your audience.

Thank You!
